JULY WORKSHOPS

MONOTYPE: The Painterly Print with April Richardson
Sun July 11th aprilrichardsonartist.com

Monotype is a spontaneous and painterly method of printmaking. Learn to use basic techniques: additive, subtractive, and drawing transfer while working with 4"x 6" plates, water-based inks and a small etching press. Explore while producing a series of prints—layer with pencil, pastel, metallic pigments, watercolor, and collage. Open to all levels of printmaking.
001 900 165 | \$75 per day | 11 am to 4 pm

New...Summer Art Classes for Kids!

PRINTMAKING & COLLAGE: Intuitive Paths with Melissa Koch
Mon July 12th, 19th, 26th mkartstudios.blogspot.com

A three-session workshop designed for kids to discover their creative path with fun weekly projects. Students will learn a simple printing process—then pursue their own creativity in painting, sumi ink, and collage.
Ages 10 to 17yrs—all levels—supply kit available at a nominal fee.
001 900 408 | \$30.00 per day | 10 am to 12 pm

ACRYLICS: Liquitex® Acrylic Free Seminar
Sat July 17th

The Liquitex artist will present materials & techniques using Liquitex Acrylics. **First 30 people receive a free packet—A \$35 Value!**
Pre-Registration Required | **Free Seminar!** | 12 to 2 pm

WATERCOLOR & ACRYLIC: Creating from Chaos with Ed Labadie
Sun July 25th edlabadie.com

Learn Ed's unique style of producing endless possibilities by pouring paint and allowing images and shapes to emerge. Push your creativity while learning practical painting techniques. Fun informative demonstrations during the day, and plenty of individual assistance. All levels welcome.
001 900 409 | \$75 per day | 11 am to 4 pm

AUGUST WORKSHOPS

WATERCOLOR 101: Basic Mixing with Paula Balch
Sun August 1st

001 900 204 | \$10 materials fee | 12 to 2 pm

JOURNALS: The Joys of Journaling with Liesel Lund
Sun August 15th liesellund.com

Art journaling is a wonderful way to express your creativity. If you are new to art, it's an easy and delightful format to begin with. Make your own unique art journals by exploring a variety of mixed media art techniques. The perfect way for having a form of art in your everyday life.

001 900 410 | \$75 per day | 11 am to 4 pm

OIL: Technique Essentials with Hamid Zavareei
Wed & Thu August 18th & 19th gageacademy.org

Discover the vast possibilities of the richest, most versatile and flexible medium by learning the principals of mixing color and setting up a palette. Create a painting from start to finish with specific exercises and develop skills to create expressive work—brush strokes, composition, value, space, and volume. Class structure includes lecture and demonstration. All levels.
001 900 411 | \$75 per day | 11 am to 4 pm

WATERCOLOR: Freedom of Expression & Simplicity with Ron Ranson
Fri, Sat, Sun August 27th, 28th, 29th ronranson.com

Ron's watercolors are strong, colorful, impressionistic, and representational using a limited palette. Design principles are emphasized - the foundation of every good painting. Painting demos daily and individual assistance. Ron is a seemingly tireless watercolorist with a worldwide teaching reputation having written 25 books on painting, and countless articles for art magazines. **A rare Seattle workshop not to be missed!** Open to all levels.
001 900 412 | \$75 per day | 11 am to 4 pm
